8. Press red start button in top right corner to begin review and sign your documents.

... Tap Start to begin **START**

9. To begin signing your documents tap your first signature prompt.

10. Rotate device and create your signature with your finger.

11. Tap adopt and sign box in top right corner to continue signing documents.

Rotate device to draw

Select Style Draw Your Signature **Adopt & Sign**

John Doe

By clicking Adopt, I agree that the signature and initials will be the electronic representation of my signature and initials for all purposes when I (or my agent) use them on documents, including legally binding contracts - just the same as a pen-and-paper signature or initial.

12. Tap each identified field() throughout the rest of the documents(s)

13. When all required information has been completed, tap the FINISH box in upper right hand corner.

The documents will be submitted securely in electronic format to the credit union.

You will receive an email confirmation that the document(s) have been completed. From this email, you will be able to open, view and print the completed documents for your records.
