Thank You!!!

Thank you to all our members and guests for helping make another car sale a tremendous success! Railway Credit Union and Dvorak Motors were honored to serve everyone throughout the sale, and we are grateful for the incredible support shown by our community.

We were thrilled to host five fun lunches and an amazing supper, serving more than 500 people! A special thank-you to Dunn Brothers Coffee for supplying coffee and cookies during the sale.

Congratulations to Chad on the winning bid at the LIVE Benefit Auction! Thanks to that generosity, \$11,500 will be donated to the Bis/Man Hot Lunch Programs, making this event even more meaningful for our community.

Thank you again to everyone who attend the sale and events and helped make this so special!

RCU Adopts a Highway!

The Adopt-a-Highway program is an anti-litter and highway enhancement program to promote pride in keeping our state clean and beautiful.

RCU is proud to partner with the NDDOT Adopt-A-Highway program! This summer, RCU staff will be volunteering their time on three different days to help clean up a 3-mile section of highway in Mandan. We're excited to give back to our community and help keep North Dakota beautiful!
