Five of the Biggest Scams to Watch for in 2026

1. **Employment Scams:** There are schemes where someone pretends to offer you a job (or job related service) to steal your money, personal information, or both.
2. **Recovery Scams:** These are second-stage fraud situations where they target people who have already defrauded and promise to “recover” the lost money for a fee.
3. **Digital Arrest:** These as a form of impersonation fraud where criminals pretend to be law enforcement or government officials and try to convince you that you are under investigations, or even “virtually detained”, to scare you into sending money or personal information.
4. **“Hello Pervert” Scams:** These are a type of sextortion scam or cybercrime where someone tries to scare you into paying money by claiming they have compromising footage or information about you.
5. **Romance Scams:** This is when someone pretends to form a romantic relationship with you, usually online, to gain trust and then manipulate you into sending money, gifts, or personal information.

If you have any questions about these scams or believe you may be involved in a fraudulent situation, please don’t hesitate to contact Kelly at 701-557-7139 or Dustin at 701-877-2388.
We’re here to help protect your and provide guidance every step of the way.

Thank you for another successful Annual Meeting!

We’re incredibly grateful to everyone who joined us for our 72nd Annual Meeting! We had over 300 members in attendance.

What a wonderful night with great food and some awesome door prizes! The 50/50 raffle was a huge success thanks to our members and \$2,300 was donated to The Soup Cafe. We appreciate your continued support of RCU and look forward to the future!

Congratulations to Doug Erhart, Jim Jensen, Laurie Swank, Bryan Kocourek, and Jim Engelhardt on re-election!
